

# BEECHER MIDDLE/HIGH SCHOOL

Hello Parents and Guardians:

One of my priorities as an Instructional Leader is to monitor student's attendance and grades. I have noticed that students who are constantly late to class and absent from class end up doing poorly, withdrawing, or requiring additional help in the form of one-on-one meetings or tutoring in order to catch up. As we know, in the work world, employers will not let workers show up whenever a worker wants to.

When I compared the grades of the top and bottom 10% of students; students with good grades had good attendance. Please encourage our students to come to school, get to class on time, and behave in the classroom. I assure you by doing this, student grades will improve. Let's keep attendance a priority in our children's education... Because Attendance Matters!
