## CELL PHONES/TOYS

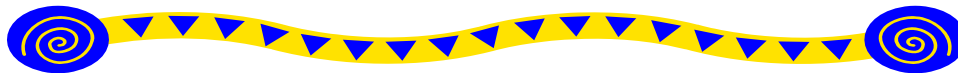

Cell phones and toys are not allowed in class. **Tucker Elementary will not be responsible for lost/stolen cell phones or toys.** Please make sure your child does not bring toys to school. If your child brings a cell phone, the phone can be stored in the main office until the end of the day.

Toys are not allowed, even at lunch, as they are a distraction to the learning process.

## TARDINESS

There are a number of students that are still coming in late. School begins at 8:00. Students need to be in their seats at that time or they are considered late. There are also a number of students that come in between 8:15 and 9:00. This causes a distraction to the learning process. Children do not like to enter their classroom when arriving late. We are asking that you please try to get your child/children here before 8:00 in order to prevent these interruptions. When a child comes in after 9:00 they are marked half day absent.
