Parking Lot

Upon entering the parking lot, use north entrance (nearest Cass Ave) only. South is for exit only.

When coming to pick up children from school, please pull into a parking spot if available. If you cannot pull into a spot, **do not** leave your car, you may be blocking someone in. The bus turn around is not to be used as a part of the parking lot. It is for buses only.

We also ask that you do not request to have your children released between 2:30 and 2:45PM.

Attendance

If your child is going to be absent, please call the office at 591-9399 and let us know. If you do this, you will not receive a call from the syner-voice program.

If your child comes in after 8:15 remind him/

Teachers have an end of the day routine and this is interrupted when the office is calling the classrooms to get students.

All students are escorted to their exit door. Do not wait by classroom doors. Please wait at the exit doors for them to be released. Kindergarten and 1st grades exit the south doors. 2nd through 6th grade are released at the brown doors. We appreciate your cooperation regarding this matter.

her that they are to stop in the office to receive a pass. The pass will prevent calls stating that your child is absent. We do not want any parent panicking due to a call that their child is not in class.

Balloon lift off-The balloon lift off was a success. We will now wait and see what responses we receive back and where they are found. We will have a map of Michigan located in the office and we will place a marker on areas where someone has found a balloon. Feel free to come in and check out our map.

We have a pair of glasses that were found. If your child has lost their glasses, please have him/her check with the nurse.

Head Start parents-If you need to contact the head start office, please call 591-9553.
